

Liability and Release Form

Amber Cesare is not engaged in the practice of medicine, does not diagnose any medical conditions, prescribe or recommend any medicine or treatments, and does not alter any physician-prescribed treatment plans or medications. Your use of the Services does not make you a patient of Amber Cesare, and no therapist-patient, or doctor-client relationship is being formed. Various expressions of medically related information, analysis and/or reasoning may be provided through the Services and may be used by you. You represent that you are not accessing, using, or participating in the Services and related activities to address any physical, mental, or emotional illness, and you acknowledge and understand that no portion of the Services and related activities are delivered or supervised by health professionals. You understand that Amber Cesare does not provide medical advice, diagnoses or recommendations about medical treatment, and does not recommend or endorse any products, actions or information for any particular circumstances. You acknowledge that you have consulted or has had an opportunity to consult with a qualified medical professional before using or purchasing the services. You represent that you are in good physical and mental condition and has no medical reason or impairment that might prevent you from accessing, using, or participating in the Services and related activities. The information available through the Services are for educational and informational purposes only, and shall not be understood or construed as legal, financial, tax, medical, health, or any other professional advice.
